Název školy	**Gymnázium, Šternberk, Horní nám. 5**
Číslo projektu	**CZ.1.07/1.4.00/21.0390 0218**
Šablona	**III/2 Inovace a zkvalitnění výuky prostřednictvím ICT**
Označení materiálu	VY_32_INOVACE_HoP08
Vypracoval(a), Dne	Mgr. Pavlína Horáčková, 10. 1. 2013
Ověřeno (datum)	15. 2. 2013
Předmět	Anglický jazyk
Třída	3.A
Téma hodiny	Geography of Canada
Druh materiálu	Prezentace
Anotace	Žáci si rozšíří geografické a kulturní znalosti o Kanadě. Žáci si rozvíjí problematiku tvoření slov pomocí předpon a přípon v kontextu, porozumí textu a ověří si znalosti formou aktivity true/false. Žáci sestaví souvislý text a identifikují jednotlivé slovní druhy.

1. **Read the text about Canada and fill in the gaps with the right form of the given words. In one case you will have to fill in the information yourself.**

It is the second _____ **(large)** country in the world (after Russia) and the largest one on the _____ **(America)** continent with its almost 10,000,000 square kilometres. It has a population of about 3,000,000. _____ **(Major)** of the population is descended from _____ **(Europe)** immigrants. Less than 2 percent of the _____ **(populate)** are descended from the _____ **(origin)** inhabitants: the Native Americans (Indigenous People) and the Eskimos (the Inuits). More than three-quarters of the population live in the south of the country. The official head of the country is the British Queen Elizabeth II., who is _____ **(represent)** by the Governor General. Canada is also a member of the _____ **(Britain)** Commonwealth of Nations. In spite of that, Canada is an _____ **(depend)** country with its own Prime Minister. It is a bilingual country, so it has two _____ **(office)** languages: English and French. Most French _____ **(speak)** live in the province of Québec.

Canada is _____ **(divide)** into 10 provinces and 3 territories:

Provinces:

Newfoundland	**Ontario**	**Prince Edward Island**
Saskatchewan	**Manitoba**	**New Brunswick**
Alberta	**British Columbia**	**Nova Scotia**
		Québec

Territories:

Yukon	**Northwest Territory**	**Nunavut**

The capital city of Canada is Ottawa, which lies in the province of Ontario. But the largest city is Toronto (Ontario), which has almost 3,000,000 _____ **(inhabit)**. Other big cities are for example Montreal, Calgary, Edmonton, Halifax or Vancouver, where the Winter Olympic Games will be _____ **(hold)** in 2010.

Canada is also often called „The Country of Lakes". Except of the Great Lakes (_____, _____, _____ and _____) that Canada shares with the U. S., you can find there: Great Slave Lake, Great Bear Lake and Lake Winnipeg. The _____ **(long)** river is the Mackenzie, that

flows into the Arctic Ocean. It is 1 600 kms long. Other large rivers are the Yukon, the Columbia or the river of St. Lawrence. The highest peak is _____ **(call)** Mount Logan and it is about 6 000 m high. The climate _____ **(vary)** from the arctic in the north to the moderate in the south, east and west. Canada is a rich country, it has many industries such as: chemical, cars production, paper mills, and also a lot of mineral resources (gold, silver, uranium, copper, zinc, lead, oil, coal). Almost half of the area is _____ **(cover)** by forests, so Canada is an _____ **(export)** of wood and paper. Although less than 10 percent of its area is suitable for _____ **(farm)**, Canada is the second largest exporter of wheat. Also the standard of living of _____ **(Canada)** is very high.

The supreme body is the Federal Parliament, which has 2 houses: The House of Commons and the Senate. The _____ **(lead)** person of the politics is the Prime Minister.

Canada _____ **(have)** its own flag since 1964. It consists of a white square with a red maple leaf with two stripes aside. The _____ **(Canada)** anthem is called „Oh, Canada". The _____ **(nation)** currency is Canadian dollar. One of the national symbols (except of the maple leaf) is a water animal – a beaver - and a Canada goose. One of the most popular sports in Canada is ice hockey, curling, football and lacrosse.

There is wonderful landscape of the Rocky Mountains, that are called the Canadian Rockies, and a lot of national parks.

2. **Read the text again and try to answer the following questions:**

   a) Who were the original inhabitants of Canada?
   b) What are the official languages?
   c) How is Canada divided?
   d) What are the most famous cities of Canada?
   e) What are the national symbols of Canada?

3. **State if the sentences are TRUE or FALSE. If FALSE, correct the facts about Canada and complete them (if asked):**

   a) Canada is divided into 4 territories and 9 provinces, for example…

   b) Canada's climate varies from subtropic in the north to tropical in the south.

   c) Canada's head of the country is the president.

d) Canada is the second largest exporter of cars.

4. Work with your partner and try to describe the geographical position of Canada (neighbours, oceans, rivers, islands...).

5. Go back to the text in exercise 1 and identify parts of speech of the words that you have formed.

CANADA (results)

1. **Read the text about Canada and fill in the gaps with the right form of the given words. In one case you will have to fill in the information yourself.**

It is the second **LARGEST (large)** country in the world (after Russia) and the largest one on the **AMERICAN (America)** continent with its almost 10 000 000 square kilometres. It has a population of about 33 000 000. **MAJORITY (Major)** of the population is descended from **EUROPEAN (Europe)** immigrants. Less than 2 percent of the **POPULATION (populate)** are descended from the **ORIGINAL (origin)** inhabitants: the Native Americans (Indigenous People) and the Eskimos. More than three-quarters of the population live in the south of the country. The official head of the country is the British Queen Elizabeth II., who is **REPRESENTED (represent)** by the Governor General. Canada is also a member of the **BRITISH (Britain)** Commonwealth of Nations. In spite of that, Canada is an **INDEPENDENT (depend)** country with its own Prime Minister. It is bilingual country, so it has two **OFFICIAL (office)** languages: English and French. Most French **SPEAKERS (speak)** live in the province of Québec.

Canada is **DIVIDED (divide)** into 10 provinces and 3 territories:

Provinces:

Newfoundland	Ontario	Prince Edward Island
Saskatchewan	Manitoba	New Brunswick
